

GREAT LAKES CHAPTER, VCOA

Clara's Restaurant, Lansing, Tuesday, November 30, 2010 Minutes of meeting

Members present:

Tim Cox, President, Harriet Cox, First Lady
David Irvine, Secretary
Dick Milleson
John & Nancy Northup, Treasurers
Al Bulgrin
Bob Riggs
John Hay and Ellis
Jim and Rick Webb

1. Treasurer's Report. Balance after all Gilmore III expenses: \$689.48. VCOA sent their reimbursement to us.
2. Webmaster Paul Fletcher created a new online application form that includes information about the new club pin, and ordering extras. The form can be printed, or e-mailed directly to the treasurer.
3. President Tim Cox announced the club pins were ordered and would be delivered to the Northup's on December 17th.
4. There was discussion regarding a member asking if our meetings could be later in the evening, since some have to drive after work. Most of the board members have to drive even farther, from both the extreme east and west sides of the state, and the group decided to leave the meeting as is. We will consider possibly having an occasional Saturday meeting, and suggest doing it March 19th, with advance notice so we can post it to Rolling. Suggestion is to meet for lunch at Clara's at 12, and then those who wish to continue could go to the RE Olds Museum. Please watch your e-mail for the January meeting, in the event we have to change the meeting date due to inclement weather. Our fallback date will be the 4th Tuesday of January, the 25th (snow day).
5. Dust off in Canton, OH, the last weekend of April, 2011. Dates are April 30th, May 1st, 2011

Canton, OH – Saturday and Sunday

Canton Classic Car Museum

www.cantonclassiccar.org
